No. AERC. 280/2007/Pt.-I/46

Dated Guwahati the 21st May, 2019.

OFFICE MEMORANDUM

Sub: Relaxation under Regulation 10.10 of AERC (Electricity Supply Code) Regulations, 2017

The AERC is in receipt of prayer from some of the consumers to relax the time line of 30th September for declaration of contract demand. The consumer cited difficulties in declaration of their contract demand within the time schedule due to lack of awareness about the new provisions incorporated in the AERC (Electricity Supply Code) Regulations, 2017.

On consideration of the prayers of the consumers, the Commission has now decided to extend the time line upto 31st March, 2019, by exercising the provision of the Regulation 10.10 of the said Regulations with the following conditions:

1. APDCL will accept the declarations of contract demand by the consumer which were received within 31st March, 2019. The date of effect will be from 01.06.2019 only.
2. This relaxation will be applicable for the FY 2019-20 only and shall not be permitted in future years.
3. For the FY 2020-21 onwards, the consumers will have to declare their contract demand by 30th September of the preceding year.
4. For any change in supply agreement due to change of sanction load/connected load, the consumer will be allowed to revise their contract demand at the time of executing the new supply agreement.

By the order of the Commission,
