

## ASSAM ELECTRICITY REGULATORY COMMISSION

FILE NO. AERC. 473/2014/A

### ORDER SHEET

06.12.2014 The Assam Power Generation Corporation Limited (APGCL) submitted a petition on 25.11.2014(Misc. Petition No.19/2014) praying for extension of time upto 20.12.2014 for submission of petitions for Revision of ARR and Tariff for FY 2015-16 and Annual Performance Review (APR) for the FY 2014-15. APGCL stated that since the tariff Order for FY 2014-15 has been announced recently, therefore, compilation, processing and updating of tariff data/information for preparing the estimations/projections of the tariff petition for 2015-16 would require some more time. However, the APGCL has not prayed for any extension of time in respect of filing the petition for True Up for FY 2013-14.

Regulation 6.1 of the Assam Electricity Regulatory Commission (Terms & Conditions for Determination of Tariff) Regulations 2006 states that "*The licensee and generating company shall file a tariff petition annually with the Commission to determine changes to the current tariff not later than 1st December unless an extension is granted by the Commission upon application.*"

The Commission under the above circumstances and under Regulation 6.1 of the AERC (Terms & Conditions for Determination of Tariff) Regulations 2006 has decided to grant an extension upto 20.12.2014 to APGCL for filing of petition for Revision of ARR and Tariff for FY 2015-16, APR for FY 2014-15 and True up for FY 2013-14.

With the above decision, the petition stands disposed of.

Inform all concerned.
