ORDER

1. A Hearing was held on 03/11/2016, on the Petition No. 14 of 2016 and an Interlocutory Petition No.3 of 2016 filed by Marahar Power Controls Pvt Ltd. requesting for determination of Tariff for their 10 MW Solar PV plant proposed to be set up at Saraguri Village Chalchali-Mouza Nagaon Assam. Prior to hearing, public comments were sought; however, no objections & comments were received from public.
2. At present, the Petitioner has got an MOU with APDCL, with a validity upto 27/10/2017.
3. During the Hearing, the Commission asked the Petitioner that, as the petitions filed by J.J PV Solar Pvt Ltd, JP Structures Pvt Ltd, Marahar Power Controls Pvt Ltd, Sharada Erectors Pvt Ltd and Sharada Windpower Pvt Ltd is being represented by the same persons i.e. Mr. Miresh Sheth & Mr. Akshay Joshi and the projects proposed to be set up in adjacent locations, whether a common transmission facility for evacuation of power can be developed. In reply, the Representatives of the Petitioners submitted that to lower the evacuation cost, a common Evacuation system can be constructed and the

cost may perhaps be shared equally. The Commission directed the petitioner to make the submission on sharing of Evacuation Cost in an affidavit form to the Commission.

4. Further, in reply to Query on optimization of O & M Cost, the Representatives of the Petitioner submitted that sharing of O & M Cost can be worked out after Commissioning of the project.
5. The Representative of Respondent 1 submitted that the Land details such as Land Agreement (Dag No., Patta No. etc), Map etc. have not been received. The Commission directed the Petitioner to submit the relevant documents in this regard to the Respondent 1.
6. In reply to Query related to clause for purchase of land in the Land document & decision of the Petitioner, the Representative of the Petitioner submitted that the land for the project will be purchased and will not be on lease.

The Commission heard both the Petitioner & Respondent and reserves its order at this point of time.
